

ProArbor

TREE CARE PROFESSIONALS

Is Accepting Applications for a Lead Climber/ Crew Chief Position **Effective Immediately**

Requirements for this position include:

- ❖ Minimum 5 years experience as a lead climber for a reputable company.
- ❖ ISA Certified Arborist or Certified Tree Worker/Tree Climber is preferred but not mandatory if the right candidate applies.
- ❖ Awareness and Knowledge of ANSI Standards preferred.
- ❖ Experienced in modern rigging techniques, climbing techniques and operation of all necessary tree care equipment.
- ❖ Climber must have own climbing equipment that will pass a safety inspection. New equipment may be furnished to the right applicant.
- ❖ Experience in leading a professional tree crew throughout the day to day operations.
- ❖ Applicant must have a valid Virginia State Drivers License or a valid out of state license and be willing to acquire a Virginia State License.
- ❖ Applicant must be drug free. Drug tests will be administered to employees that are suspected of drug use.
- ❖ Applicant must have a willingness and desire to work long hours. Pro Arbor pays overtime for anything over 40 hours per week.
- ❖ Applicant must have a professional attitude and appearance while working with Pro Arbor.

Top pay is available to the right applicant, we believe in top pay for top performance. Pro Arbor pays on a weekly pay period ending on Friday. Uniforms are provided and mandatory for all employees. Weekend work may sometimes be requested, but rarely required. Pro Arbor expects the right applicant to have references from previous employers in the tree care industry. All PPE is required and used at all the appropriate times during the work day.

This position is one of leadership, training young tree workers and filled with opportunities for growth. Serious applicants only apply.
