Frank Santamour Scholarship

The Mid-Atlantic Chapter of the International Society of Arboriculture (MAC-ISA) offers academic scholarships in memory of Dr. Frank Santamour, Past President and charter member of the Mid-Atlantic Chapter of ISA.

Two scholarships in the amount of $1250.00 are awarded each year to eligible **undergraduate** students studying arboriculture/urban forestry or a related field and have a demonstrated interest in pursuing a career in arboriculture. Students must be a member of MAC-ISA to apply and be enrolled in a college or university that has a program in forestry, horticulture, arboriculture and/or urban forestry (MAC-ISA membership is free to students enrolled in an arboriculture or urban forestry program).

Applications should be submitted directly to Liz Buxton by email: director@macisa.org by September 1st. The MAC-ISA scholarship committee will review the student' s narrative and notify the student once the committee has made its selection(s). Once a scholarship has been awarded the funds will be allocated to the school's administrative department that manages scholarships.

MAC-ISA is proud to sponsor future generations of arborists by honoring Dr. Santamour for his contributions to our local chapter and industry. One of MAC-ISA's primary missions is to support education to advance the tree care profession. Providing financial assistance to promising students of arboriculture further supports our mission.

Questions? Contact Liz Buxton, director@macisa.org or call 703-350-1048.

Frank Santamour Scholarship Application
Must be a MAC-ISA member to apply

Please submit an essay describing your reasons for pursuing your chosen degree, your career goals, your accomplishments, and why you should be selected for this scholarship (maximum 1000 words): Email application to director@macisa.org including this form and a **current resume and college transcript.**
